Compilers
CMPT 432

— Lab 3 —

Goals | Turning tokens into sentences with your Parser

Notes | Now that we have tokens, we need to turn then into sentences that are (hopefully) valid in our language.

Resources | *Crafting a Compiler*
- Read chapters 4.1-4.4, 5.1-5.3, and 7.1
- Do exercises 4.7 and 5.2c (write pseudo code only for 5.2c)

Dragon
- Read chapters 2.7, 2.8.2, 4.2, 4.4.1, and 5.3.1
- Do exercises 4.2.1 a, b, and c

Submitting | Commit a PDF of your work to your GitHub repository and I'll take a look at it.
